Twitter @ Westmead PS

As part of our ongoing commitment to Strategic Direction 3- our school community will be inclusive, informed and engaged we have launched Twitter at our school.

This will be used to update you of any events and to inform you of important information and changes (e.g. sports carnivals or PSSA cancellations due to bad weather, students arriving back late from excursions, reminders for fundraisers and whole school events, updates from Stage 3 camp).

As it will be only used to inform the school community, in accordance with our guidelines, we will not be responding to any threads and request that none be created. Whilst we value parent feedback and questions, our school has other ways for these to be gathered and addressed. As it will be only information posted we ask that you do not post comments or reply tweets.

The Twitter rules state that ‘In order to protect the experience and safety of people who use Twitter, there are some limitations on the type of content and behavior that we allow. All users must adhere to the policies set forth in the Twitter Rules. Failure to do so may result in the temporary locking and/or permanent suspension of account(s).’ This includes graphic content, unlawful use, Abusive behaviour (including violent threats, harassment, hateful conduct, and impersonation) see https://support.twitter.com/articles/18311

When students use technology they are required to follow the following rules....

As a school we ask that you connect with us through social media in a safe, respectful and responsible manner (as per our school rules).

Please see these instructions for how to access and use Twitter. (Thank you to Miss Dooley) or please use the QR code (Thank you to Miss Reddy).

We hope you will follow us on Twitter.
